Salaries are listed as mean hourly wages.

The Redwood Coast Occupations of Opportunity posters are based on information from CareerOneStop, O*NET and the Occupations of Opportunity reports. The O*NET system serves as the nation's primary source of occupational information, providing comprehensive information on key attributes and characteristics of workers and occupations. The O*NET database houses this data and O*NET OnLine provides easy access to that information.

Learn more about O*NET: <http://online.onetcenter.org>.

O*NET OnLine was developed for the U.S. Department of Labor.
